To create and sustain a vibrant business community through promotions and education.

The Discover Burien Association is a non-profit 501(c)3 corporation working on economic development, business recruitment & retention, education, promotion and marketing of the Burien community. We are a membership based organization, but do not limit our services to only members, we include the entire Burien business community. We work with Burien businesses to find solutions to their problems to help educate or direct to resources that are available. We also work as a liaison between businesses and city hall to help streamline issues. Your membership and contribution is tax deductible.
